***We will always be friends***

*Will I be a famous writer  
Of a book everyone wants to buy  
About a boy who meets a monster?  
Will the monster live or die?*

*Will I be the camera operator  
In a film about a king?  
Or will I be the director?  
Or perhaps I won't do anything!*

*Will it rain tomorrow or will it be sunny? I don't know!  
Will I be happy? Will I be OK? I hope so!  
Will we be friends? Yes, we will. That will never end.  
There's one thing I know you will always be my friends.*

*Will I be an actor in a play  
About a man who gets lost in a maze?  
Will the man eventually find his way?  
Or will he be there for days?*

*Will it rain tomorrow or will it be sunny? I don't know!  
Will I be happy? Will I be OK? I hope so!  
Will we be friends? Yes, we will. That will never end.  
There's one thing I know-you will always be my friends.*
